

Help improve Squirrel Glider habitat -
Join in a community wattle planting on...

National Wattle Day

Tues 1st September

10am-1pm with BBQ lunch

Blue Metal Reserve, Wright's Hill
(between Albury and Holbrook)

We will be planting Silver Wattles – an important food resource for Squirrel Gliders.

You will also have the opportunity to learn how other conservation works are benefiting local wildlife.

Please bring a hat, gloves, covered shoes and if possible, a spade.

Meet at Blue Metal rest area, approx. 10 km North of Mullengandra on the Hume Highway.

Enquiries to Alison Skinner 0448806256 alison@nct.org.au
(RSVP appreciated but not essential)
